

MS Coursework (2018 – 2020)

SEMESTER I

- Advanced Biochemistry I
- Advanced Cell Biology
- Advanced Molecular Biology
- Biostatistics
- Structural Biology
- Lab Training

SEMESTER II

- Advanced Biochemistry II
- Animal Physiology I
- Biology and Disease
- Introductory Immunology
- Physical Biochemistry
- Lab Training

SEMESTER III

- Animal Physiology II
- Chemical Biology
- Bioinformatics
- Genetics
- Lab Training
- Lab Training
- Lab Training

SEMESTER IV

- Literature Review
- Research Project
- Research Seminar
